

**Tutelo Lodge Meeting
June 7, 2009
Camp Ottari**

Meeting began with the obligation and the benediction by Will M.

Lodge Officer's Reports

Lodge Secretary's Report

Motion made by Will M. to dispense with the reading of the minutes. Motion seconded and voted on with an EC hand vote. The Motion was passed

Lodge Treasurer's Report

The treasurer's report was not given.

Vice Chief of Committees

Service Committee Report

We had a very productive weekend and did lots of service at all three camps which was great. I would like to thank every one that stepped up and helped with the projects which include: weed eating/grass-cutting, chapel cleanup, observation post completion, HC tables finished, platforms and picnic tables, and foxfire service

Vigil Selections Committee

Thanks to all who helped serve dinner last night and to everyone who stayed up last night for my biggest meeting of the year, and we are now looking forward to the fall.

Publications Committee

The next Torchbearer will be coming out this summer. All chapter chiefs need to re-submit their section of the "Where to go Camping Guide." All EC members need to submit a photograph of them for the "Membership Guide"

Elangomat Committee

The elangomat committee had a good weekend and we are ready for fall.

Membership Committee

As of 6/7/09:

Needed for Quality Lodge: 989

Currently Paid: 610

Need to Pay Dues: 379

61.68% paid

Gold cards: 96 of 152

Trading Post Committee

We had a successful weekend and sold a lot of stuff. For those of you who didn't hear, we have started selling Tutelo fleeces for \$40

Inductions Committee

We successfully inducted 15 new ordeal brothers and 7 new Brotherhood members. We also thank all the elangomats and torchbearers for their help to the lodge.

Vice Chief of Chapters

KooKooKuHoo Chapter

At the last chapter meeting we created an committee to construct a full scale trebuchet for an upcoming Camporee. We have completed over 13 unit elections, running as many as three elections in one night. The "How to run a Chapter" guide is under construction and will be completed by the end of the year. Our chapter is currently looking into design and cost options for Tutelo Lodge boxers. Recently, the chapter completed a chapter One Day of Service at Historic Sandusky. There, we were offered the opportunity to participate in a historical film centered at the work site. Over the past few functions, the chapter has been working on a spotter's-seat at the rifle range and a new building at point camp, along with the orienteering course. Our ceremonies team is currently constructing new regalia for NOAC and practicing for the NOAC competition. We also have several others in our chapter interested in ceremonies. We as a chapter are assisting with the Fall Camporee and Klondike Derby. The chapter will be breaking for the summer, but will open again in August with our annual cookout. At this function, we had one member take their Ordeal, and two take their Brotherhood.

Saura Chapter

We accomplished a great portion of work at Powhatan on the new shower house. We had 1 brother do his ordeal and 2 brothers here this weekend. We are going to be on the Service Committee at Conclave 2010.

Tuscarora Chapter

We had on member take their ordeal. We are taking our break for the summer. We will start meetings again September 9th.

Wil Kip Jo Chapter

We had a great weekend and had one ordeal and one brotherhood candidate. The rest of the chapter headed over to Powhatan where we set up beds and cots. Our next meeting is tomorrow.

Catawba Chapter

We had a good turn out this weekend. Our Chapter T-shirts have sold so well that it is time to order some more. We provided 2 elangomats for this function.

Rawenok Chapter

The Rawenok chapter is ready for the summer and is finished with elections. We finished painting and replacing the tables at handicraft.

Moneton Chapter

This weekend Moneton had one new Ordeal Member and 2 new Brotherhood members. Everyone that attended the function worked very hard. Our next chapter meeting is August 18th.

Unfinished Business

Half Year Point

We are half way through the year and we are about to get to the summer break. We still need to do a lot for conclave even though it may seem very far away.

Summer Ordeal 2009 Closeout

Marcus Y. said we need to reduce the rain. We also need to move the trail up 20 ft, which would be a good summer camp brotherhood project. Also, the Pre-Ordeal was *very* good a Cope. We need to make sure we have water. Thank the cooks for their hard work. There was a standing ovation for the cooks. We also are glad that people stepped up and made this a great function.

New Business

Conclave 2010 Reports

Reports were given but none were handed in. Marcus says to get an inflatable. We need to win all the awards. We should create other awards for different competitions other than sports, such as dancing. We need to plan everything better, which includes schedules and maps that are posted everywhere. We should use the entire reservation instead of just Powhatan. We took 182 to conclave last year. We should be able to take over 300 (400) to our own conclave. We need to keep the 100th anniversary in our minds when planning the activities. We need a patch design that goes with the theme "From the Fire's Hearth" and it needs to be here for the September Lodge Meeting. We want a patch and then build a staff patch off of that design.
